

A Note of Madness

By Tabitha Suzuma

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, A Note of Madness, Tabitha Suzuma, Life as a student is good for Flynn. As one of the top pianists at the Royal College of Music, he has been put forward for an important concert, the opportunity of a lifetime. But beneath the surface, things are changing. On a good day, he feels full of energy and life, but on a bad day being alive is worse than being dead. Sometimes he wants to compose and practise all night, at other times he can't get out of bed. His flatmate Harry tries to understand but is increasingly confused by Flynn's erratic mood swings. His friend Jennah tries to help, but Flynn finds it difficult to be around her as he struggles to control his feelings and behaviour. With the pressure of the forthcoming concert and the growing concern of his family and friends, emotions come to a head. Sometimes things can only get worse before they get better.

Reviews

It is one of the most popular books. It really is filled with wisdom and knowledge. You may like how the article writer publishes this PDF.

A top quality eBook and the typeface used was interesting to read through. It is really intriguing through reading through periods. You won't feel monotony at any time of the time (that's what catalogues are for relating to when you ask me).
