Ballantine Books, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Few people consider how or why to change careers. Alexandra Levit's New Job, New You explores the motivation behind successful transitions and teaches you how to follow in the footsteps of others who are living their dreams. Let it guide you to success and joy." -Guy Kawasaki, author of The Art of the Start and Reality Check "Is it time to follow your passion? Spend more time with your family? Walk through the job transition process with the help Alexandra Levit's New Job, New You . By diving into the pages of this insightful book, you'll be prepared to discover the secrets to loving your job." -Marshall Goldsmith, author of What Got You Here Won't Get You There "New Job, New You is one of the best career books I've read in a very long time. It's packed with success stories, interesting statistics, and probing exercises. But equally important, it does a terrific job of helping readers understand their motivations for seeking change in the first place. If a new, better, or different career is on your horizon, you want-you need -Alexandra Levit as your guide." -Daniel H. Pink, author of A Whole New Mind "Changing careers is in vogue, but what's missing for most people is the reason to do it in the first place, as well as the step by step actions required to make it happen. Alexandra Levit's New Job New You deftly explores the journeys of accomplished career changers at various life stages and instructs readers how to replicate their success." -Penelope Trunk, author of The Brazen Careerist "The personal stories of how different individuals made their own career change are perhaps the jewels of this book. People learn through the...
