Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Wessex Wessex, which is very largely the county of Dorset, is one of the most interesting and picturesque regions in the south-west of England. Still far behind the times as regards the modern stress and hurry of life, and even also as regards its thought and progress towards up-to-date modernity, it offers unique attractions for the student, archaeologist, and traveller of the old and truer type. The tourist of the more modern kind may perhaps find the district slow, but of its picturesqueness, and not seldom romantic beauty, there can be no two opinions. Wessex presents a variety of life, character, and scenery which nowadays is all too rare, owing to the levelling-up, or, as some would have it, levelling-down, processes of modern times. This portion of England, which Thomas Hardy has so vividly described, to the enchantment of thousands, invites attention and study like some beautiful low-toned picture. In its peaceful vales it is still possible to forget the town, the fret and fume of city life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
