Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Herkimer County Murders In presenting this little work to the people of Herkimer County, the author desires to make a few explanatory remarks. The record of murders as published in the following pages, is as near as possible, correct. Owing to the destruction of the Clerk s office by fire in 1804, when all county records were destroyed, it becomes impossible to give any accurate account of the capital crimes committed before that date. Since the year 1804, and in the earlier portions of the century, the Oyer and Terminer court minutes, and the hundreds of criminal indictments filed in the County Clerk s office, are our only source of record. These have been carefully scanned and each point fully established before publishing. I have endeavored to be accurate in regard to data, and have confined myself wholly to facts. The details of many of the earlier crimes, are lost in the misty obscurity of frontier history. The only one of which I find any record is the supposed murder of an Indian, by that old revolutionary veteran, John Adam Hartman, in the year 1783 or 84. From that time until 1805 no record exists, and even in the succeeding years, the records are meager in regard to details. Before proceeding farther, the reader will pardon me for giving a few historical points in regard to the old county of Herkimer. Herkimer county was formed from Montgomery February 16, 1791. The name, according to an old authority, was originally Erghemar, and was variously written for many years. Onondaga county was taken from it March 5th, 1794, and Hamilton March 15th, 1798. The north line was...
