Random House USA Inc, United States, 2004. Paperback. Book Condition: New. 174 x 104 mm. Language: English . Brand New Book. Award-winning author Millie Criswell has won a loyal following with her gift for creating unforgettable characters with lots of humor and heart. Now comes her newest confection of a novel--a story filled with delicious passion and a delirious sense of fun! It might be hard to picture impish Mia DeNero as a bodyguard, but what she lacks in size she makes up for in determination. So when straight-laced Nick Caruso walks into her office and says he needs protection from the mob because of a book he s writing, she doesn t hesitate to take the job. Moving the studious author into her apartment seems like the best way to protect him from shady characters. But soon after he s settled in, the thick, nerdy glasses come off and Mia starts wondering who s going to protect her from this irresistible new client? Posing as a geeky author on the run from the mob is making FBI agent Nick Caruso crazy. But if it will help him shut down a money laundering operation out of Little Italy, he can ignore the wimp jokes for a little while longer. It s harder to ignore the sassy woman he hired to be his bodyguard. There are a number of things he d like Mia to do to his body, and guarding it isn t on the list. As things heat up--on the job and in the apartment--Nick begins to see he s in danger of losing his heart to the woman he s deceived, and who is determined to save his life. . . .
