Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, Victorian Times, Jillian Powell, Each book in this delightful, child-friendly series focuses on a different period in history, from Ancient Egypt right up to World War 2. Children will love learning about each era, and then following the simple instructions to make useful or interesting objects from that time. Age-appropriate and accessible, the books are jam-packed with great ideas and perfect for use at home or in the classroom. In Craft Box: Victorian Times, you can learn how to make a Penny Black stamp, a barrel organ, a silhouette portrait, a bellows camera, a spinning top, a Victorian police helmet, a Jubilee souvenir, a model of the Crystal Palace, a Victorian calling card, a terrarium, a candlestick telephone and a cornucopia! Fun facts on every spread give background information about the Victorian era and its people, from the engineers, explorers and inventors who are still famous today, to Queen Victoria herself. A Further Information spread suggests age-appropriate websites and books, so children can go away and learn more about the Victorians. A glossary explains any tricky words, and will help to further increase children's knowledge and understanding of the era.
