Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The author Joseph E. Brierly of this collection of photoons got the idea for writing them while walking the Detroit Metropolitan Zoo in September of 2010. David H. Molitz, the author's brother, supplied his life long photography hobby to amass a huge collection of photographs of animals at the zoo. The pictures themselves without captions are even delightful to view. The captions composed by Dr. Brierly add warmth with a funny side to the creatures by giving them human traits. Photoons are much like cartoons excepting they are based on real-life photography. And the photoons often are social commentaries and cerebral at times. But the majority of the captions are understandable by children of all ages. Future plans of the author are to compose a number of animal photoon comics. This is the second issue. It is truly hoped that animal photoon comics will provide a delightful escape from the struggle to survive in an increasingly humorless world. Everyone should have at least one goo laugh per day. And animal photoons surely will supply the ammunition for it. Several books by the author are currently available at . One is a book of poems composed by Dr. Brierly titled Poetry Lives Forever subtitled Rhymes for Our Times. Another book by Dr. J. Brierly is titled Handbook For Excelling At Hockey And Living Smart. The author has also published software and books on optimizing chances to win a lottery and making winning bets at the Harness Horse Race Tracks. All of these books are available through and the author's Ebay store Doultanandmore. Dr. J. Brierly earned his Ph.D. in mathematics in 1975 from the Wayne State University....
