NEUROLOGICAL PHYSIOTHERAPY: EVIDENCE BASED CASE REPORTS

John Wiley & Sons. Paperback. Book Condition: New. Paperback. 239 pages. Dimensions: 8.8in. x 6.0in. x 0.7in. There is a surfeit of writing about evidence-based practice which is often difficult to relate to the actual treatment of patients. This book however, starts with real patients and their problems, then turns to specialist clinicians from different philosophies describe how they would treat that patient. This means that the contents are directly relevant to clinical practice. The authors have provided a generous list...

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
