

You Went Where?: An Unexpected Journey to Cameroon (Paperback)

By Warren Perry

iUniverse, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a story of love and family that involved a three month visit to Cameroon, a country that most Americans have a hard time finding on a map. Relatively few visitors find their way here since most tours focus on the plains of East Africa. Cameroon is located on the Gulf of Biafra just under the great bulge of West Africa. It is roughly knife shaped and plunges deeply into the heart of central Africa. It contains within its border almost every animal and habitat that can be found anywhere on the continent.
