Brand New Book ***** Print on Demand *****.Excerpt from An Urdu Manual of the Phonetic, Inductive or Direct Method: Based on the Gospel of John, With a Progressive Introduction to the Constructions of the Urdu Language The sale of the First Edition, and the consequent demand for a second, permits the realisation of the hope expressed in the Preface of the First, the publication of a Manual worked out on the basis of the Gospel of John, and the necessary terms in daily use. This Manual is the product, as it ought to be, of class-room work, but it has not been tested with successive classes. Under the circumstances, it is the best that could be done. Special thanks are due to Rev. Henry Forman for reviewing the book, and seeing it through the press. The Manual is the result of fifty odd years of language study, but it is particularly the outgrowth of experience in learning, and helping others to learn, Urdu and Panjabi. Many, many methods have been examined, and the student may find nothing that seems to him new, for it is possible to parallel many of these ideas with those from other sources.
