Explicit Erotica - Adults Only This is a collection of two Erotica novelettes along with one of my favorite short stories. The first story titled Self Determination is about a woman who is questioning her marriage after many years with her husband. Lately she has been thinking of her high school sweetheart and the one night they shared after they graduated high school. It isnt long before her thoughts turn into dreams, and soon she is calling old friends and getting his phone number. Follow each chapter as she gets closer to finding what she has been missing her adult life. The second story titled Honeymoon follows a young couple as they begin their lives together. Follow them as they explore their growing love for each other, as well as their own sexual fantasies. While they decide to finally take their long overdue honeymoon together, their decision to take an RV trip across the country opens the doors to a whole new world for them. The last story is Enduring Strength. This short story is about a young single mother trying to do her best to raise a family on her own. She does everything she can to put food on the table and get the rent paid on time each month. When her landlord raises her rent, she knows she will not make it without some help. That is when she meets the one man who will take her on a ride she was not expecting. As she is becoming his latest masterpiece on the canvas, he is becoming her one true love. These erotic tales are exactly the fix you need to spice up your love...
