THE DRINKERS GUIDE TO HEALTHY LIVING (PAPERBACK)

Dghl, United States, 2014. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.The Drinkers Guide To Healthy Living represents the culmination of 15 years of observation, analysis, study and experimentation dealing with the following question: Is it possible for individuals to be supremely healthy even though they consume significant amounts of alcohol on a daily basis? This is not a simple question, given the multiplicity of issues to be considered. For example, is any amount of alcohol consumed on a daily basis too much? Does consuming any level of alcohol add to the load of environmental toxins by which all of us is impacted every day? Is the combined impact of all these factors further impacted by age? The Drinkers Guide To Healthy Living addresses all these subject areas and provides access to substantial additional information for any reader interested in a particular...
