THE SURVIVAL OF HELGA BRAUN, by Helga Braun War is not healthy for Children and Flowers and other Living Things Who can better explain this ancient axiom than a small child who survived War Helga is such a child, now grown to adulthood and living in the United States, and her story of War and Living Things sears the mind and stirs the heart. Her account is set in Germany during World War II and the early postwar years of national and personal reconstruction. If you have ever wondered what it was like in Germany during this period, or where was the humanity of the people living there, or if you seek a strong statement of the truth and a boost to your heart, then you will want to read this child's story. It is not a story of the Holocaust whose depths of pitiful loss and horror can only be hinted by tears and silence. There are no doubt accounts more severe and heartrending than Helga's which is but one glimpse of the long story of uncounted millions of children, still struggling or long since muted, in the East and in the West, beginning from the ancient moment when War first raised its hideous head, through the millenniums to the present. Helga's is a simple account of World War II as it fell on the small shoulders of a helpless child, and how War's scourge slipped past the end of hostilities to continue its pain and loss through the present. Her entry into this life came in Germany, unfortunately with the rise of Adolf Hitler and his grotesque rally of hatred, conceit, prejudice and narrow-mindedness, that perversion of love we call nationalism. Trust and kindness, innocence...
