### ***Reviews***

*Very helpful to all of class of folks. This is certainly for all who statte there had not been a worthy of studying. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
(Jayda Lehner Jr.)

## INDRA AND VARUNA IN INDIAN MYTHOLOGY

Nag Publishers, Delhi, India, 1978. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Indra and Varuna are the two most important archetypal symbols of Indian mythology. This Book reviews the development of the myths related to the-e figures in the entire Vedic literature, the Mahabhanta and the principal Puranas It studies the meteorological, physiological, psychological, political, social, religious and philosophical interpretations of these two Mythological and literary images. This book concludes that mythically the two most important and exalted Vedic gods-Indra and Varuna of Vedas fall of from their position at the emergence of The Hindu trinity in the Mahabharata and the Puranas but philosophically they remain as important as before representing the two complementary aspects of the cosmic reality at various levels of existence. One represents the truth of being, the other the truth of becoming; one represents the spirit, the other the matter; one symbolizes the vast creative principle and the other the enveloping formless void; one denotes metaphorically the day, and the other the night. Printed Pages: 240.
