The Pre-Adamite, Or, Who Tempted Eve?: Scripture and Science in Unison as Respects the Antiquity of Man (Paperback)

By A Hoyle Lester

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Preface. THE intellect of man is progressive, and cannot remain stationary while science marks out the line of progress, and Revelation does not forbid our going forward in the work of investigation. That the earth is much older than our wisest sages were once willing to admit is a fact which science reveals to us almost daily, and which the theologian unites with us in establishing in a way not at variance with Divine revelation. The Bible and Science move together harmoniously, and where there are seeming inconsistencies there can be no controversy. Our interpretation of Scripture is either incorrect and needs modification to place it in harmony with the progress of Science, or else the scientist has failed in his deductions, and presents a dogma which has an existence only in theory and not in fact. Who believed fifty years ago that the lightnings of heaven would be used to transmit our messages from zone to zone, and from the sea to the uttermost parts of the earth? And yet Job declares, in chap,...
