Biblical scholar Ron Rhodes presents a discerning, informative look at the different views Christians have of war and provides readers with scriptural, historical, and informative references to help them answer tough and timely questions. Is war ever justifiable from a Christian perspective? Are all wars the same from a moral standpoint? Can war be reconciled with the Christian emphasis on peace? What are the arguments for activism, pacifism, and selectivism? How can Christians of differing views remain in fellowship? This compact resource is a substantial, credible evaluation of a crucial topic and will be a vital reference for individuals, churches, and church libraries now and in the future.
