

The Quotable George Bush (Paperback)

Filesize: 5.48 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Andrews McMeel Publishing, United States, 2004. Paperback. Book Condition: New. 184 x 133 mm. Language: English . Brand New Book. I want you to tell your children that when they hear all the talk and all the speculation and all the thousands of hours of so-called experts babbling away about this, that, or the other, that the true policy of this government is to achieve peace for generations to come. And we can show the world the true face of America as well. Oh, it s a diverse face, no question about it, which is our strength, not our weakness. But it s a face that can be bound by common goals and common values. It s a face that can stand squarely in the face of evil by the collective acts of people doing good in America. You ve read the Bushisms, but here is another portrait of the man and the politician. Long before then-Governor of Texas George W. Bush ran for the presidency, he was acknowledged by the media as someone who could be counted on to provide memorable quotes seemingly without much effort. Instead of focusing on the malapropisms and verbal stumblings for which this Bush is most infamous, The Quotable George W. Bush offers illuminating insights into the ideals, political and social philosophy, and leadership agenda of one of our most decisive, straightforward presidents. Until he writes his next autobiography after he leaves the White House, this book is the closest thing we have to a living memoir of the important years of President Bush s life, and it presents a true portrait of the man. The audience for The Quotable George W. Bush includes stalwart Republicans, conservatives, and the voting majority that consistently gives the president high marks and supports his administration without question.
