This book contains proven strategies on how you can take good care of your hair ensuring constant and fast hair growth. Most of us reach a point where our hair does not increase in length. We then think that our hair is not growing and that it will never become as long as we would want it to be. However, did you know that your hair never stops growing? Your hair grows by an average of 1/2 inch to an inch every month meaning that if you take good care of your hair or even if you start with no hair, by the end of the year your hair should be at...
