She is a writer, broadcaster and professor of English and comparative studies. The main themes of her literary activity are art and literature, abortion and infertility and she was one of the most important supporters of the women's movement and was an engaged representative of feminism. With 'The Female Eunuch' 'she broke taboos and changed the lives of a whole generation of women.'<sup>1</sup> Her book is a statement against establishment and she fights the stereotypical ideal of the 'Feminine'. Besides this she writes about men's hatred of women and how man 'waylays women for the sake of finding sexual release' p. 268. Germaine Greer shocked the public by describing her experiences of lesbian sex, rape, abortion, infertility, failed marriage and menopause. She writes about marriage 'Experience is too costly a teacher: we cannot all marry in order to investigate the situation. The older sisters must teach us what they found out'<sup>2</sup> And about single women she writes 'They dawdle and dream in their dead-end jobs, overtly miserable, because they are publicly considered to be.' 52 pp. Englisch.
