Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Excerpt: .for boring and he made the beams fast. He built a raft, making it very broad, and set a mast upon it and fixed a rudder to guide it. To make it more secure, he wove out of osier rods a fence that went from stem to stern as a bulwark against the waves, and he strengthened the bulwark with wood placed behind. Calypso wove him a web of cloth for sails, and these he made very skilfully. Then he fastened the braces and the halyards and sheets, and he pushed the raft with levers down to the sea. That was on the fourth day. On the fifth Calypso gave him garments for the journey and brought provision down to the raft--two skins of wine and a great skin of water; corn and many dainties. She showed Odysseus how to guide his course by the star that some call the Bear and others the Wain, and she bade farewell to him. He took his place on the raft and set his sail to the breeze and he sailed away from Ogygia, the island where Calypso had held him for so long. But not easily or safely did he make his way across the sea. The winds blew upon his raft and the waves dashed against it; a fierce blast came and broke the mast in the middle; the sail and the arm-yard fell into the deep. Then Odysseus was flung down on the bottom...
