THE DAWNING: FACING GOD HEAD ON (PAPERBACK)

Trafford Publishing, Canada, 2007. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In her personal search for God, Linda Luz Benvenue, followed the traditional Christian path, until it became evident to her that the number of good deeds performed, Our Fathers recited, and rituals practiced - as calculated by others to be necessary in gaining access to the divine - weren't a guarantee to finding God in the way he wanted to be found. Putting to memory biblical passages that would put anyone at the top of the class, she discovered that nothing seemed to bring her to the place where she could experience God bursting forth within her heart. Her desire was simple. She wanted an open and direct connect to God that was not illusive or contingent upon her worthiness to be loved, but based on her need to be continually in communion with the Sacred regardless of her egoic pursuits. The Dawning, is a spiritual memoir, a compelling and personal invitation, to follow Benvenue as she encounters the presence of the All That Is as it revealed itself to her with affectionate compassion through a series of incredible and out of the ordinary experiences that occurred throughout her life. Such encounters led her to the realization that the road to spiritual freedom and unity is not contrived or paved with must do's but built upon a deep and heartfelt desire to be in dialogue with the Sacred, 24/7. By relating her story, Linda Luz Benvenue, invites you to experience the emergence of a sparkling new dawn - one she knows will completely alter your life. Guaranteed!.
