Summary: Praise for I Love You More : "When lawyer Oliver Lane is shot to death at the family's summer rental on the Outer Banks of North Carolina, his wife appears a likely suspect. Then two other women who claim to be married to Oliver come forward, and the investigation takes several unusual turns. . . Told from multiple points of view . . . A thoughtfully written, original and entertaining exploration of events ignited by love and lies." --Kirkus "Murphy's debut, an absorbing coming-of-age story, revolves around the murder of Oliver Lane, shot dead at his beach house on North Carolina's Outer Banks. Readers slowly piece together the truth through the eyes of Picasso, the detective, and the wives. Solid, well-defined characters." --Publishers Weekly "Oliver Lane was a busy family man. And this girl, Picasso Lane, is the first point of view in Murphy's debut mystery. . . Tangled relationships. . . good suspense and a nicely creepy tone throughout." --Booklist "When I really, truly love a book, I feel a...
