The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WHY A CHRISTIAN CAN AND SHOULD VOTE FOR A MORMON IN 2012: A BIBLICAL MANDATE FOR A GODLY SOCIETY (PAPERBACK)

DBA Pivotal Forks Media, United States, 2012. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.Over the last few years Christians have been tongue tied on how to answer post-modern thought in politics. This year the issue is Mormonism vs Christianity. Can a Christian really vote for a Mormon? Is political support for someone outside the Christian faith allowed in Scripture? Christians fear saying yes or no. James Hale says yes we can and should support a Mormon this election. This issue as well as moral issues bring fears that are wrongly placed. Christians can be bold about the truth of Scripture. We need to pray for this election outcome, but are there also things that we can do as voters other than vote? Are there points that pastors can give to help lead the church in voting issues? This book by Christian apologist James Hale will show that the church does have a voice in civil government now, but should use that voice now before they lose it to those that hate God. This book is a must read by all church leaders.
