Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A7 2007t OCLC Number: (OCoLC)312700243 Subject: Internal security -- Pakistan. Excerpt: . . . 11 lacking so far is civilian support. General Musharraf has totally failed in mobilizing civilian support for the war against terrorism in Pakistan. Pakistani civilian support for the war is absolutely necessary. It may not come overnight, but I think the U. S. needs to identify civilian partners who will be able to provide that sup-port. At the same time, it is also important for the United States to use the leverage it has built with the Pakistani military, not to just consistently praise the Pakistani military and in the process rein-force the prejudices of the Pakistani military that have led them to take part in four military coups in Pakistans short history of 60 years. Instead, every interaction, whether at the civilian diplomatic level or at the military-to-military level, should be used to convince the Pakistani military that it is as much part of the problem as it is part of the solution. On the specifics that are of concern to this committee, the prob-lems in the Northwest Frontier Province and the problems in the Federally Administered Tribal Areas, I believe that the Pakistani military is facing a serious crisis not just of training, equipment, and motivation, but of morale. These large numbers of troops who are virtually surrendering themselves to the insurgents in Waziristan without putting up a fight would not have done so if they were not conflicted within themselves, and that conflict comes from a belief system after years of having been told that the Jihadists represent a force for good. Now that...
