Starting Fires Without Matches Top 25 Methods How To Make A Fire (Starting Fire Book) Fire is one of the most essential tools that humans have, but what do we do when we find ourselves in a situation where we don't have matches or a lighter? This book details numerous ways to start a fire without the use of matches and various other fire-building skills that can be crucial if you're caught out in the wilderness. Whether you're working on survival skills, or simply wanting to ensure that your next camping trip won't be cold and dark, this book holds simple techniques that will help you stay nice and cozy warm. The 25 methods can be dangerous and most should only be used in an absolute survival situation, however preparing yourself with knowledge is one of the best preparations that you can make. It has been fun and interesting to research and write this book for you, and I hope that you've found it helpful. May your nights in nature...
