MASTER OF LIFE WITH TAROT: 4TH EDITION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 608 pages. Dimensions: 10.0in. x 6.9in. x 1.5in. Imagine if a Master Tarot reader of 22 years experience was to dump his entire accumulated knowledge and understanding into a single book. It took 5 years to accomplish that feat, but thats exactly what this book is! The contents of this book are almost entirely either created or discovered by the author, whose study has been focused entirely in the field of experimental forecasting using the Rider-Waite Tarot. He shows you everything from how to teach yourself to read without books, notes or help, to how to do such amazing things as read minds using Tarot. This is not your average Tarot book! Using the information contained in this book, you can choose how your life will progress from the day you finish reading it forward. It is the power to know the possible futures you can experience and the power to choose which one you want to happen. It is the power to always know the best way forward, whether you are looking for something as simple as which cologne to wear to attract the ladies, or as important as which college to attend, which woman to choose for a long and happy marriage, or what to do to achieve the maximum possible financial success in business. Taking the foo foo mysticism out of the equation, Mr. Matteson shows you how to use Tarot cards for real life, practical and useful purposes in day to day life. Whether you just want to use this book as a cookbook interpretation guide for simple questions, or take things all the way to the highest levels of skill and mastery, there is something here for readers of all levels...
