John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Thoughtful Guide to Islam (192nd), Shaykh Fadhlalla Haeri, Islam is the fastest growing religion in North America and the world, with well over a billion followers. Since the Islamic revolution in Iran and the dismantling of communism, the world has seemed to be heading inexorably towards greater confrontation between Muslim and non-Muslim cultures. At a time when communities increasingly tend to view each other with suspicion, this book cuts through the morass of understanding and misinformation to give a timely overview of the universality and light of the prophetic message and the traditions that have grown up around it; the life of Islam today, its potential for bringing unity; and speculates on its future. The introduction also features selections from key Islamic writings.
