Brand New Book ***** Print on Demand *****.We re headed t the bottom of the biggest hole in the earth in North America, the Grand Canyon. Sam s research helpers uncovered information bout an ancient civilization developin a very advanced civilization there thousands of years ago. They say there have been those that discovered it but took the location t their graves with em. Course ya know Sam learnin stuff like that got him all fired up t head there t see if we could find any evidence of em. We knew we couldn t do it without help though n started lookin fer an Indian guide. Tribes had occupied the canyon since their origins n knew things white men was never gonna know. We found Dan Ferren. I m always amazed bout how lucky we are t find top notch people t help us out. When Dan found out Big Mike was Michael P. James the now famous archeology writer I thought he was gonna stop breathin. He got so shaky he collapsed into a big chair until he could gather his wits agin....
