Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Gary Stephen King II was in a dark place when he first put pen to paper. A former US Marine, King was idolized by a younger brother who, wanting to follow in his footsteps, joined the armed forces. The decision lead to the young man s death, leaving King devastated and guilt ridden. Poetry would help him navigate this dark period of his life. The poems within Life of a King reflect King s love for his brother, his friends, and his family while chronicling his own journey of self-examination. What begins with his brother s loss becomes an evocative, haunting assessment of his own strengths and weaknesses, detailing both how he sees himself and how others perceive him. King s poetry takes his readers from his relationship with his parents and the women in his life to the searing pain of his brother s death. Along the way, he touches on many other aspects of life-including his discovery of Christ and the assumptions society imposes on him as an African American man. The result is a painful, raw account of one man s inner landscape. Life of a King is not always easy reading, but then, heartfelt passion and emotion rarely are.
