Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Ramal Extraction: Cutter's Wars, Steve Perry, At the close of the 24th Century, a series of revolutions has caused the galaxy to descend into chaos. With the Galactic Union's Army stretched thin, mercenary units have arisen for those who have the need and the means to hire them. Captained by former Detached Guerrilla Forces Colonel R.A. Rags Cutter, the Cutter Force Initiative is one of the best. A specialized team consisting of both aliens and humans, the Cutters offer services ranging from fight training and protection to extraction and assassination as long as the target deserves it and their employer makes good on payday. When they're hired to find and rescue Indira, the soon-to-be-married daughter of the Rajah Ramal of New Mumbai, the team's first task is to identify the kidnapper. The obvious suspects are insurgents who want to overthrow the rajanate, but as other forces enter the game and an assassination attempt is made on Ramal, the Cutters realize that their in-and-out extraction job is about to get a lot more interesting and a lot more lethal.
