I m a little pencil in the hand of a writing God, who is sending a love letter to the world. Mother Teresa s words and actions inspired and empowered a great many of us. The book Mother Teresa s Pencil humbly attempts to manifest and articulate her universal message of service, warmth and kindness to kids of all ages. As she herself concluded: the good you do today, will often be forgotten. Do good anyway. The book is geared for all humanity, for we all need to be happy. Adults could read for kids about Happiness and through the process will enhance their own Happiness. Much like: The Little Prince and The Giving Tree the book delivers deep philosophical concepts in a bright, humorous and comprehensible manner. A great gift for parents, kids, colleagues, students, teachers, family, friends. (And above all-enemies) and, frankly, anybody who wants to be Happy- which is all of us- isn t it?
