Brand New Book ***** Print on Demand *****.Curriculum Edition The wicked entered into a deal to commercialized upon the good name of our brother Jesus since 1095 AD. Only a few highly placed gatekeepers over western civilization know the reality of his life and burial place in old Jerusalem and like many, await for the perfective return of Jesus mentioned in both Bible and Quran. To understand the many facets of America s perfective connection with the person and history of Jesus of 2,000 years ago, one must grasp the difference between the historical Jesus and Black America and the Nation of Islam. This 13 chapter curriculum, FARRAKHAN, The Jesus Factor, evinces from the outset how Jesus history was a sign pointing toward the history of three men and the mission they d perform upon the descendants of a former slave people-the seed of Abraham-to complete divine prophecy. How does FARRAKHAN factor into divine prophecy you ask? Read and answer the 113 questions included in this curriculum and no doubt, you shall conclude that God was not blind to Black America s sojourn in America hidden under many imperfective scriptural verses and passages. You will also figure out how Minister Louis Farrakhan holds a key to the New Government as it was written in divine prophecy and hidden in divine history until now.
