Insiders Report Incorporated, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Where Do Our Missing Socks Go? We tell you! Readers find out in our children s series -- The SOCKKIDS. We follow the Socker family through many adventures, from encountering the slobbery mouth of the family dog to meeting Santa as he comes down the chimney to helping a fireman save a baby to the most sky sock going to the school dance for the first time. Thanks to the time-travel opportunities afforded by the spin cycle of the washer, the Sockers learn about some of the most important humans in the world. Children two and up and their parents will be drawn to the journeys of the family and the universal and timeless lessons they teach: don t be afraid of new experiences, treat others as you would like to be treated, and of course beware of the spin cycle! In this book s story, we read about Sudsy landing on the foot of inventor Ben Franklin. Sudsy, the bug-playing boy sock, discovers with Ben Franklin the wonders and dangers of electricity. The book includes safety rules and discussion questions put together by an experienced classroom teacher in helping parents and children respect the power of electricity. The SOCKKIDS - Helping Humans Cope in a Smelly World! The SockKids are trademarked and copyrighted -- 2014. All images and content owned by Michael John Sullivan and Insiders Report, Inc. 2014.
