BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Abridged. 170 x 135 mm. Language: English . Brand New. How can your organization increase its agility, alignment, and accountability to improve performance? Developing performance management capabilities means changing the way people are empowered to make better decisions. It requires a transition from a restrictive, command-and-control approach to a management style that includes more participants in the performance management process. Drive Business Performance shows you how. Drive Business Performance reveals how to effectively align performance with technology, creating a best-in-class information management system and amplifying individual employee impact. This groundbreaking guide provides a deep understanding of how to achieve enterprise performance management objectives, backed up by firsthand accounts from Fortune 500 companies that are winning by building accountability, intelligence, and informed decision making into their organizational DNA. Drive Business Performance explains the competitive advantage experienced by organizations that create and manage a Culture of Performance. Part of Wiley's Microsoft Executive Leadership Series, Drive Business Performance fills a gap in the literature on managing performance. This innovative, jargon-free book demystifies performance management, with detailed guidance for organizations to replicate top performers results, including the recommended skills and assets needed to successfully compete in today's business environment.
