Reviews

It is just one of my personal favorite book. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Other Press (NY). Paperback / softback. Book Condition: new. BRAND NEW, The Woman from Hamburg and Other True Stories, Hanna Krall, Madeline Levine, In twelve nonfiction tales, Hanna Krall reveals how the lives of World War II survivors are shaped in surprising ways by the twists and turns of historical events. A paralytic Jewish woman starts walking after her husband is suffocated by fellow Jews afraid that his coughing would reveal their hiding place to the Germans. A young American man refuses to let go of the ghost of his half brother who died in the Warsaw ghetto. He never knew the boy, yet he learns Polish to communicate with his dybbuk. A high ranking German officer conceives of a plan to kill Hitler after witnessing a mass execution of Jews in Eastern Poland. Through Krall's adroit and journalistic style, her reader is thrown into a world where love, hatred, compassion, and indifference appear in places where we least expect them, illuminating the implacable logic of the surreal. "It is precisely the difficult path [Krall] takes toward her topic that has made some of these texts masterpieces." -- "Frankfurter Allgemeine Zeitung" (on "Dancing at Other People's Weddings") "Heartbreaking, strange . . . and marvelously told." -- "Die Zeit" (on "Proofs of Existence").
