By Paul Preuss

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Arthur C. Clarke's Venus Prime: v. 3, Paul Preuss, The third volume in a series of science-fiction thrillers evolving from the works of Arthur C. Clarke, grandmaster of science fiction and author of 2001: A Space Odyssey. Her code name is Sparta. Her beauty veils a mysterious past and abilities far surpassing those of a normal human - the first product of advanced biotech engineering. At long last, evidence of extraterrestrial life has been found: a plaque discovered on the edge of the north polar icecap on Mars. And when the theft of that alien artifact leads to two murders in the Labyrinth City, Sparta must risk her life - and her identity - to solve the case. As the mystery unravels, the investigation becomes a race across the stars to retrieve the plaque - a quest which will ultimately uncover even more evidence than Earth's scientists have ever discovered! This star-spanning adventure brings together the genius of Arthur C. Clarke and the talents of distinguished science-fiction writer Paul Preuss. Introduction by Arthur C. Clarke.

Reviews

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
