Each room was asked How many know about the Exposition? Every hand went up. The school children of Oregon are preparing some souvenirs to be given away to the teachers of Eastern schools, and when teachers register at the Oregon educational exhibit they will carry away little remembrances from pupils living away out West where snowcapped mountains pierce the sky, and a land of health, wealth and happiness. The last, but not the least, to be mentioned is the mineral exhibit. This is a surprise, and a collection of great interest. Oregon is in her infancy with the mineral States, yet she is taking rapid strides along the road to maturity. Pan-American has echoed and reechoed through the hills and mountains of Oregon until the bowels of the earth have been shaken asunder and great big nuggets fairly heave and crawl to be counted among the many to be sent to Buffalo. The large stamp mills with their tremendous crushers and deafening clatter seem to have caught the epidemic, and For this reason the Canadian exhibit at the Pan-American Exposition treats very largely of the mineral resources. The production of iron and steel has gone forward during the past decade with leaps and bounds. Development in this direction has been encouraged by the close proximity of valuable iron ores and coking coal,...
