Brand New Book ***** Print on Demand *****.Excerpt from Mental Development and Manual Training Combined, Taking Up the One Stitch Dropped in Sewing by Drills to Sound-Singing The old grand-mother sitting by the fireside sometimes dropped a stitch from the rapidly flying needles, and before her dimmed eyes detected the accident the loosened thread oftentimes worked its way into the stocking, marring the beauty and utility of the work; time, patience and skill were required to repair the damage and insure a perfect whole. Education, to be complete, must have no dropped stitches. The great development that takes place in the first few years of a child's life must be broad and systematic. Much of what he learns comes to him through his own observations and experiences, and this is well, but parents and teachers have a work in providing and presenting to him that which will best nourish his developing capacities. A good Kindergarten will supplement the home; its leaders have made a scientific study of the child and have adapted the exercises to his needs, thus making their highest aim to...

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. It's been designed in an exceptionally simple way and is particularly only soon after I finished reading through this ebook in which actually transformed me, modify the way in my opinion.
