

Disappearing Acts

By McMillan, Terry

Signet, 2002. Mass Market Paperback. Book Condition: New. In this funny, gritty urban love story, Franklin and Zora join the ranks of fiction's most compelling couples, as they move from Scrabble to sex, from layoffs to the limits of faith and trust. Disappearing Acts is about the mystery of desire and the burdens of the past. It's about respect, what it can and can't survive. And it's about the safe and secret places that only love can find.
